

## Interactive Read Aloud Write Up

### **Part 1: Book Choice Rationale**

Discuss why you chose this specific text for one of your read alouds. Please include the following information:

- Title and Author
- Brief Summary
- Author's Message
- What you believe children may find interesting about this text

### **Part 2: Early Literacy Skills**

Discuss how your book could be used to address at least 3 of the following skill areas:

1. Vocabulary
2. Print Motivation
3. Print Awareness
4. Narrative Skills
5. Letter Knowledge
6. Phonological Awareness

### **Part 3: Planning For Interactive Read Aloud**

Based on the course readings, as well as class discussion, discuss some of the elements you considered when deciding how to read your text to children. Please refer to at least one of the readings within this section. You should consider before, during, and after reading planning such as:

- How you would introduce the text
- Vocabulary
- Specific sections where you chose to stop and pause
- Questions that you may ask children
- Tone of voice
- Arts integration
